

New Church Members Vows

When being welcomed into the membership of Greenford Baptist Church, new members are asked the following questions—to which they respond, "I will".

1. Will you commit yourself to the life and witness of this church?
2. Will you accept the importance of discipleship, and commit to this?
3. Will you share the gifts God gives you with this family, receiving from it too?
4. Will you attend Member's Meetings, and Communion as often as you are able?
5. Will you support the church with your presence, your prayer and your giving as long as you are a member?
